## Why You'll Love This Tour

### **AN EMPIRE OF TEMPLES**

The Khmer Empire was the largest empire of Southeast Asia and flourished between the 9th and 15th century. The ultimate expression of Khmer genius is found in a UNESCO World Heritage Site called the Angkor Wat, and is matched by only a few select spots in the world such as Machu Picchu or Petra.

### **APSARA: THE CAMBODIAN DANCE**

No visit is complete without a traditional dance performance. This dance is an essential part of the Khmer culture. Every single movement of the fingers has a particular meaning and in 2003, UNESCO recognized the dance as a masterpiece of oral and intangible heritage of humanity.

### **KHMER FISH AMOK CURRY**

Cambodia's cuisine is all about the contrasts — sweet and bitter, salty and sour, fresh and cooked. Fish Amok is a classic Khmer dish that is a must-try when you get here! Everyone that we talked to had a family recipe for their own version of this dish.
